Note: Maps will be provided at opening ceremonies for this transition.

Immediately following Opening Ceremonies, students and faculty will need to reload onto their busses and head to Technology Square. From the parking area on Tech Parkway take a right onto Regents Drive and then take an immediate left on Ferst Drive. Follow Ferst Drive through campus and pass over I-85/75 into Tech Square where Ferst Drive becomes 5th Street. At the intersection turn right onto Spring Street. Buses will need to turn left at the next traffic light onto Armstead Street and park/unload in the area designated by our staff. Passenger vehicles will need to turn right at the intersection of Armstead and Spring into the Management Building parking deck. A staff member will be located at the entrance to the deck to hand out parking passes. Once unloaded, staff will direct students and faculty to their appropriate location inside the College of Management Building. After the busses have been unloaded, they will need to return to Tech Parkway for parking. Exit the Management Building drop off onto W. Peachtree St. and take an immediate left back onto 5th St. At the intersection of 5th St./Ferst Drive turn left onto Spring St. Turn right onto North avenue and follow it until you reach Tech Parkway. Turn right onto Tech Parkway and park in the designated area. Busses will need to return to the Management Building to pick up their students.
