

2011 GEORGIA TECH MODEL UNITED NATIONS CONFERENCE

Sponsored by the Sam Nunn School of International Affairs

17 – 18 OCTOBER 2011

GTMUN Double Delegations

GTMUN 2011 offers five committees to which delegations may send two delegates. While two delegates are not required, they are suggested as this will allow for increased communication between Member States in the committee. The committees offered as GTMUN 2011 double delegations are:

- General Assembly Plenary
- Security Council
- UN Development Programme
- International Atomic Energy Agency
- Assembly of the African Union
